Thank you!

Stall

Reservations Deadline is July 21st

- Stall Reservations are to accompany Entry Forms and the Fair paperwork turned into the Extension Office.
- Upon receipt of your reservation, a confirmation will be posted online. It is the leader's responsibility to confirm number of stalls and contact Stall Reservation Volunteer and/or Fair Superintendent if there are conflicts.
- On the form below, please indicate only the number of stalls occupied by animals on exhibit. Tack stalls will be automatically assigned according to the number of horses in your Club's exhibit. Please do not include tack stalls in your reservations.
- Wherever possible, Clubs will be assigned the same stalls for the duration of the Fair. The Fair Board requests that the lower barns be kept full during the entire Fair, so some Clubs may be asked to move at changeover between Sections.
- If you find that you will need fewer stalls than requested, please contact the Stall Reservation Volunteer or Superintendent.
- Every attempt will be made to fill stalls as requested. However due to variations in the number of exhibitors from section to section, this may not be possible. Please be flexible.

Stall Reservation Form

The stall assignment committee volunteers will make every effort to locate your club where requested, however stalls are limited and no assurances can be made. The Committee decision is final.

Club Name _____ Club Number _____

Leader Name _____ Phone _____

Address _____

Preference: (Check one) Inside Stalls Outside Stalls Front Back

You may request a barn and "front" or "back" - please do not request by stall number. Every attempt will be made to "house" your horses and club where you request - but space constraints may preclude this.

If you are sharing Herdsmanship with another club, print club's name here _____
