- **ALL CLUBS** need to fill out and email this form, even if no one in your club is buying a shirt; because all exhibitors and herdsmen participating at Fair will be listed on the shirts. All Gamer levels (Clover-Sr) are on the Games shirt.
- Information must appear *exactly* as your member would like it on the Fun Fair t-shirts. Please make this readable!
- For members bringing two horses (in the same section):
  - We will list both horse names if there is room. *Please use barn names to conserve space.*
  - In case we cannot fit both horse names, *please circle the horse's name you would prefer to list*.
  - If you're bringing two horses to *different* sections, please indicate which horse is for which section.
