PLATINUM MEDALS -

Congratulations on making Platinum Level! Your hard work has paid off and now it is time to have some fun and showcase what you and your horse are best at!

- The allotted time for platinum patterns is a total of eight minutes. This includes set-up, reviewing pattern
 with judge, music, completing your pattern, and cleaning up/removing any props used for your
 performance.
- If you would like to test your music (and we highly recommend that!) please do so the night before your class or before 7:15am. We cannot guarantee what type of sound system the ESF will have so please be prepared with your own equipment.
- All patterns are to be designed and turned in on a comment sheet provided by the show office. You can pick up a blank sheet during show office hours and blank trail course forms will be available at trail.
- All Platinum patterns must be turned in prior to the class for approval.
- Showmanship and Equitation patterns must be turned in at the show office by 8am each morning.

• Trail patterns are to be turned in by 12:00 (noon) to the Trail Coordinator, David Nelson, at the trail arena. Trail patterns must be different for each day (English pattern must be different then western pattern). Platinum patterns must contain certain maneuvers and also will be judged on difficulty level (must be more difficult than Gold Medal Patterns)

GATE HOLDS

An exhibitor may request a gate hold with the show manager for equipment or clothing change, etc., however; request must be made at least three classes in advance. The advisability of holding a class and the length of time permitted will be at the discretion of Show Management.

SHARING HORSES

A shared project horse is defined as only immediate family members or two non-family members sharing the same horse. **Members** and parents must recognize that adjustments and/or choices may need to be made to adapt to show conditions or schedules, such as when two members are in the same class, competing for championships, or classes running simultaneously.

GENERAL REMINDERS

- 4-H is Learning by Doing. 4-H members are encouraged to help each other. All 4-H members are to be in charge of their horse project without assistance from parents and/or trainers at this event (unless there is an emergency or safety issue)
- The Show Committee reserves the right to make any changes in schedule, judges, etc, as deemed
 necessary, including combining classes with less than four entries, or dividing classes with a large number
 of entries.
- Unruly, dangerous, uncontrolled, visibly ill, thin or unsound animals may be dismissed from a class and/or the show grounds by the show committee, management or the judge.
- No one shall approach a Judge until he/she first obtains permission from the Show Chair, Show Steward or Show Committee member who shall then arrange an appointment at a proper time and place after all classes are completed for that judge for that day.
- A Show Steward will be in attendance at the show. The Show Steward's role is to protect the interests of the exhibitors, judges and the show management. The Steward is to assist in interpreting rules. The Steward has no authority in managing or judging the competition but is an interested third-party to assist the show.
- All exhibitors are expected to be familiar with all rules governing the classes they have entered. Questions on rules and procedures should be directed to the Show Office or Show Steward for clarification. Do not expect all volunteers helping at the show to know all rules and regulations in depth for any classes.
- Any complaints or grievances must be addressed in writing, as outlined with current policies and procedures of the Snohomish County 4-H Horse Program. If you have constructive comments or suggestions about the horse show, you may address your written comments to the 4-H Horse Show Chair; PO Box 148, Snohomish WA 98291.

ABUSE WILL NOT BE TOLERATED AT THIS HORSE SHOW
