have food service.

Our shows will run smoothly and efficiently **when folks help out**. Spectators are welcome to the shows, so, PLEASE bring along a family member or friend who wants to cheer on the kiddos....and they can do that WHILE HELPING with any of the below volunteer positions. It's MUCH appreciated.

Chair person will NOT be able to begin show without the necessary volunteers for the classes.

- Call for the next class and check in exhibitors.

- Bring finalized judge's cards to the scorekeeping table after each class.
- The judge may have you write down comments.
- Adjust poles, cones, etc. in obstacle classes as they are moved, knocked, or trampled by exhibitors.

Ribbons:

- We use a ribbon table that is available during the show for participants to pick up their ribbons after results of the class are posted. We do not make announcements after each class. This is to help with time efficiency.
- Work alongside scorekeeper to post placings for each class.
- Assure that the member picks up the correct ribbon and award for their class.
